## PROJECTS

### PRODUCT DESIGNER \ INCLUSIVE DESIGN FOR FEMALE GAMER

Pratt Institute Oct 2020 - Dec 2020

Researched and proposed a digital app platform that helps female gamers feel safe and comfortable in the online game world. Identified pain points and issues in today's gaming community to find a better solution for a less toxic community. Incorporated digital accessibility design into this platform.

### RESEARCHER & VISUAL DESIGN \ COOPER UNION LIBRARY

Pratt Institute + Cooper Union Mar 2020 - May 2020

Created a series of questions and tasks with a clear focus for students. Conducted Interviews, worked with clients to find usability problems. Provided recommendations and visual mock-ups based on the 5 remote user tests which the client applied to their most current website.

### MANAGER & DESIGN LEAD \ REBRAND NEW YORK CARES

Pratt Institute + New York Cares Sep 2019 - Dec 2019

Re-designed the organization website from concept to prototype. Employed a variety of design methods aimed to understand users and their contexts and used appropriate tools to create design deliverables that effectively communicate design insights.

## EXPERIENCE

### PROJECT DESIGNER \ D2 SOLUTIONS

Jun 2015 - Sep 2018

Worked on projects up to 100,000US\$ from start to end. Sketched testfits and schematic design that fulfill the client's program and visions. Built confidence with the client to establish a design package. Produced full sets of construction documents and participated in construction administration. Bridged gap between clients, design, and construction teams to successfully complete a project.
